

**Oxford Business English. ProFile video interviews / Oxford University Press., 2006. – 82 p.**

**Description:**

ProFile teaches students about business and the language of business simultaneously.

**Overview:**

This three-level, topic-based course takes students progressively through the main themes of business. It has a carefully graded language syllabus, systematic practice of all four skills, integrated case-studies, and authentic video interviews on CD-ROM.

**How to use:**

As a stand-alone Business English course.

As the core Business English element in a wider-ranging language training programme.

**Who is it for:**

Students who need to use their English to communicate at work.

Students who want to build their knowledge of business as they improve their English.

Students who need to develop their communication skills for future career development.
